

Magic Portfolio Attestation

I understand that the Magic Portfolio product offered by Ainvest Tech has a speculative objective with no defined risk rating making it high risk. I will not have the ability to sort by investment objectives or risk since all of the Magic Portfolios offer the same rating as mentioned in the earlier sentence. I agree that I will evaluate my own investment objectives and evaluate if any of these Magic Portfolio are suitable for me specifically. I agree that I will not hold Ainvest Tech or any of its affiliates liable with any kind of loss, website malfunction, system malfunction, payment processing and system malfunction that may result in a loss. I agree I am subscribing to the Magic Portfolio product at my own risk. I understand all the risks involved and I have the ability to lose my entire investment if I make trades based on the portfolio I am subscribing too. This is not an offer or solicitation of any kind to buy or sell any type of security, not an offer to manage your portfolio nor an offer for you to follow anything in the portfolio you select. I also understand the system does not have any ability to place trades for you, if you choose to do so you need to do it on your own. Please use the Magic Portfolio product for education purposes only and don't rely on it to bring you any returns.

Investment Objective- (Speculative)

Risk Tolerance- (High)

I Agree to the above terms and conditions for subscribing to the Portfolio on the Ainvest Tech platform
